October 2008

Thank you for reading this edition of the Windsor Inter-Residence Council Newsletter, WIRcing for YOU. It will be a monthly round up of what's going on in Residence, and how we're always working to represent you to the University community, provide you with awesome events, and give you leadership opportunities that will help you succeed outside the classroom! Please enjoy this newsletter and we hope to see you out at the next Windsor Inter-Residence Council event!

If any of these apply, then why are you sitting and looking at this page? Until October 3rd, you can apply to attend **GLACURH Conference!** The Annual Conference will be held at the University of Indiana - Bloomington from November 14-16th.

The delegation will be notified by October 6th, and will start weekly meetings and preparations. Representing the University of Windsor and the Windsor Inter-Residence Council is a big job, but we are ready to bring it!! For those of you who are unable to apply to GLACURH, or who are not chosen for this delegation, keep an eye out for ORHA, MORHA and NACURH updates!
